How to assemble

1. Put the mosquito net on the top of the cot.

2. Open the zipper and clip the 4 hooks on the length of the cot.

3. Make sure there are 2 hooks on each length of the cot. Adjust the position in the correct way.

4. Fasten the sides of the cot.

How to fold

1. Take the mosquito net off the cot and make sure to close the zipper.

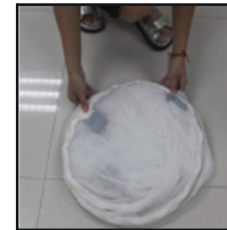

2. Fold the two ends (with the hooks) together. Hold with one hand.

3. Upright the folded side and push the top down and bend inside at the same time.

4. Push further down towards the middle until you have 3 circles. Cross the top two circles to cover each other.

5. Cover the 3 circles. Then store into the carrying bag.
